

# RIDE DAY

The Road 2 Recovery announces the 1st annual Ride for Recovery Day. This event will take place around the country in 2007. Our goals for the Ride Day are to provide:

- A mobile medical unit at the top 6 Amateur Nationals
- Financial assistance for a lifetime if a AMA Pro rider sustains a career-ending injury.
- Produce and fund a safety video
- Support AMA pro riders injured outside a race event.

The Road 2 Recovery Foundation in a collaborative effort with Dr. Steve Augustine and the Action Sports Medicine Foundation (ASMF) to provide a mobile amateur medical/safety unit.
